EEBC Summer Camp 2022

By: Bemnet Bizuayehu (Assistant Director)

## Weekly Overview

The first week of summer camp was a blast! We are all so grateful for the hard work and determination our students and teachers have shown throughout this week.

This week, students were introduced to their teachers as well as classmates, and got to pick electives that they will participate in for the rest of the program. As our students get settled into the program, we will introduce tutoring and "student of the week".

Fun at lunch with gummy bears!
